Land with Full Sea View and 30% Zoning in Boğaziçi

<https://evbodrum.com>

Land Area
530 m²

Located in the Hisar area of Boğaziçi Neighborhood, Milas, Muğla, this land parcel measures 555.23 m² and offers a 30% construction zoning (TDA – Total Development Area). The property is classified as a primary parcel and is registered under map sheet number N19.D06.B3c. It features a full, unobstructed sea view across its entire frontage. With the increasing demand for development and investment in the area, this plot presents a high potential for capital appreciation, making it suitable for both medium- and long-term investment strategies. The zoning status and location make it ideal for either individual villa construction development. Its proximity to Milas-Bodrum Airport and major touristic centers further enhances its appeal. The panoramic sea view, natural surround [...]
