The project's 9 luxury units, which command enchanting views of the surrounding nature, have been positioned in a manner that would preserve the sense of intimacy. While the villas offer access to an expansive beach on the sheltered western side of the peninsula, a beach bar, numerous shower units, a pool, and restaurant spaces have also been created. As well as a kids club, which offers children a safe and pleasurable area, a games room and recreation lounge for teenagers and adults set in a space which is both open and closed have also been designed. The 3 villa types with 9 different options have been designed with an eye to the special location of the island and its geographic characteristics. Each one of the villas has been constructed in a manner that gives it wide exterior [...]
