Idyllically situated stone house and guest house on a 7,970 m<sup>2</sup> plot with pool 5 km from the town of Muncular, the property is situated in a quiet and idyllic position on a hill between pine forest and olive grove and overlooks from the terrace numerous olive (100), lemon (10), garnet (10), fig (3) and 2 almond trees. This is an opportunity to experience and enjoy the scenery around Bodrum from a different angle. Although shopping and beaches are close enough, a car is essential in this area. The property has numerous seating and dining areas to accommodate the owners at any time of the day. From the entrance area, the ground floor opens to a spacious living area with open fireplace and high ceilings, a fully equipped kitchen, a guest bedroom and a guest bath [...]
