 Living Area
485 m²

 Land Area
798 m²

Located in Bodrum city center, within an exclusive compound, this villa presents outstanding features having been completely remodeled and renovated by its current owners: The entrance floor opens to the very large living area with fireplace, a dining area with custom made furniture, all embracing the panoramic view through floor length Windows. The very spacious and excellent equipped kitchen opens to a beautiful terrace where an outside dining area is set under large sun umbrellas and a built-in lounge area offers the ideal space for drinks around sunset. A guest WC completes this floor. A designer spiral staircase leads to the garden floor where a fully equipped elegant kitchen with bar services the TV lounge as well as the pool and garden areas. 4 spacious and elegant bedrooms, all o [...]
