Exceptional villa, guest house and pool in large garden Located at the fringes of the village Gökcebel/Dirmil, a part of Yalıkavak, this beautiful estate has been completely renovated in 2021 by its recent owners. The large lot of 5,025 square meters is expertly landscaped and comprises of flower & cactus gardens as well as very groomed olive- and fruit tree groves. Central part is the lovely swimming pool surrounded by terraces and a Cabana. Entered through its private driveway there is parking in front of the guest house. The main house features a complete open living space on the ground floor: Excellent equipped kitchen with panoramic window, a spacious dining area, the slightly lower living area has a TV corner and a sophisticated fireplace. The very large window doors to the t [...]
