Suitable for Agricultural Production in Bodrum Yakakoy

https://evbodrum.com

Plot Surface
45279 m²

Located in the Dedeler locality of Yakaköy—one of the regions in Bodrum that has best preserved its natural texture—this extensive land portfolio spanning a total of 45,279 m² is now available for sale. While the lands fall within the Yakaköy administrative borders, access is conveniently provided via both Yakaköy and Dereköy. The portfolio consists of […]
